

NOTICE OF CATEGORICAL EXEMPTION

Sonoma County Permit and Resource Management Department

2550 Ventura Avenue, Santa Rosa, CA 95403
(707) 565-1900 Fax (707) 565-1103

Sonoma County proposes to carry out the following project. Pursuant to Section 23A of the Sonoma County Code, it has been determined that this project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA):

Project Title: Coastal Permit with Hearing
Public Agency: Sonoma County
Project Applicant: California Department of Transportation, Attn: Julianne Smith
Applicant Address: 111 Grand Ave., Oakland, CA 94612
Project Location: Hwy 1 near Bridgehaven RV Park (9965 Hwy. 1, Jenner, 95450)
Date of Approval: October 17, 2025

To:
County Clerk- Recorder Office Office of Planning and Research
County of Sonoma
585 Fiscal Drive, Room 103 P.O. Box 3044, Room 113
Santa Rosa, CA 95403 Sacramento, CA 95812-3044

DESCRIPTION OF NATURE, PURPOSE AND BENEFICIARIES OF THE PROJECT:

The proposed project is for a Coastal Permit with hearing to allow Caltrans to repair cracking and depression of pavement caused by winter storms at post mile 19.68 on southbound Highway 1. Proposal includes compaction grouting, pipe pile installation, and re-paving.

EXEMPT STATUS:

Categorical Exemption Section 15301 for minor repairs to existing infrastructure.

REASON WHY THIS PROJECT IS EXEMPT:

The proposed project is categorically exempt from the provisions of the CEQA Guidelines pursuant to the provisions of Title 14 of the California Administrative Code, Section 15301. The proposed project, CPH25-0004, qualifies for exemption under the California Environmental Quality Act (CEQA) Guidelines Section 15301 (14 CCR § 15301, "Existing Facilities") because it involves the repair and minor alteration of an existing public roadway facility with no expansion of use. Specifically, the work consists of repairing cracking and pavement depression along the southbound side of Highway 1 at Post Mile 19.68 through compaction grouting, installation of pipe piles, and repaving to restore roadway stability. The project is limited to stabilizing the existing roadway, will not increase capacity, and does not involve expansion of the roadway footprint beyond what is necessary to complete the repair. All work will occur within Caltrans' existing right-of-way using standard roadway repair methods, and the project does not include new uses or facilities that could result in environmental impacts.

There is no reasonable possibility that the project would have a significant effect on the environment. No exceptions listed under Section 15300.2 apply.

This Notice of Exemption is filed pursuant to the provisions of Section 15062 of the State CEQA Guidelines.
