

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION PURSUANT TO THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

WHO: Project Proponent, Sonoma County Public Infrastructure

WHAT: **Todd Road and Standish Avenue Intersection Improvements Project:** The proposed project would upgrade the intersection at Todd Road and Standish Avenue with the installation of a traffic signal, storm drain inlets, curb-return sidewalk improvements, and bicycle lanes and signage provided on both sides of Todd Road within the project limits. The project would be constructed primarily within existing Sonoma County transportation right-of-way but would require partial property acquisition from one property to bring the northwest curb into roadway compliance totaling less than one-tenth of an acre. The project site is not identified on any of the California Department of Toxic Substances Control's list enumerated under Government Code Section 65962.5

In accordance with Public Resource Code and CEQA Guidelines, the County of Sonoma provides notice to agencies and interested parties that it is releasing a final Initial Study and Mitigated Negative Declaration (IS/MND) for the project. The IS/MND did not find potential environmental impacts that could not be mitigated to a less-than-significant level. The IS/MND is available at Sonoma County Public Infrastructure at 400 Aviation Blvd, Suite 100, Santa Rosa, CA 95403 and on the Environmental Notice page of the Permit Sonoma website <https://permitsonoma.org/divisions/planning/environmentalnotices>.

**WHERE &
WHEN:**

After the close of the IS/MND public review period, the Sonoma County Board of Supervisors is tentatively scheduled to hold a public hearing on December 9, 2025, to consider the adoption of the IS/MND. Sonoma County Board of Supervisor meeting agendas are available at the following website <https://sonoma-county.legistar.com/Calendar.aspx>. The agenda includes information on how to attend the meeting in person and how to participate via Zoom and are released 7 days in advance of the meetings.

**ADDITIONAL
MATERIALS:**

Project materials and associated documents are available at Sonoma County Public Infrastructure, 400 Aviation Blvd, Suite 100, Santa Rosa, CA 95403 and digitally through the Project Manager, Olguin Caban at olguin.caban@sonomacounty.gov or (707)565-2857. The IS/MND will also be made available on the Permit Sonoma Environmental Notice web site: <https://permitsonoma.org/divisions/planning/environmentalnotices>. Alternative record accommodation is available upon request.

**GETTING
INVOLVED:**

If you have questions or concerns regarding the proposed project, please contact the project manager listed above. The required 30-day public review period on the IS/MND is September 24, 2025 to October 23, 2025. Comments on the IS/MND must be received by **October 23, 2025 at 5:00PM**. All comments received after the review period will be included in the public record for consideration and provided to the decision-making body prior to or at the public hearing scheduled as above.

This notice was posted on 09/22/2025
and will remain posted for a period of thirty days
through 10/23/2025

Doc No.PST-202500149

Deva Marie Proto, County Clerk
BY: 
Carrie Anderson, Deputy Clerk

If you challenge the decision on the project in court you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to Sonoma County Public Infrastructure at or prior to the public hearing.
